Customer: Sandy & Becky Zisk

Address:

Phone:

Date: September 17, 2007

Description:

One original crystal Lalique horse head. The Lalique is considered to be one of the greatest glass artists since the 1860's and the family is still in the business. Marc the son revived the family business after WWII. The firm is currently run by the granddaughter Marie-Claude. Still in the same fine tradition.

\$35,000.00

  
Appraiser/GIA

I certify that I have conducted myself as a disinterested party in rendering this appraisal and that I have no present or contemplate future interest in the subject property or any interest which might tend to prevent my making a fair and unbiased appraisal.

The monetary value stated with this report, at the specific request of the customer, reflects out interpretation of current market retail values. In that mountings prohibit full and accurate observation of gem quality and weight; it must be understood that all data pertaining to mounted gems can only be considered provisional.
